CONSULTATION FoC

ADVANCED NUTRITION PROGRAMME

The Advanced Nutrition Programme is a premium range of beauty supplements which support healthy skin and helps enhance your overall wellbeing. Our pharmaceutical and nutrition consultants select only the highest quality ingredients which your body can easily absorb, and our fish oils are scrupulously screened for pollutants. They believe that the quantity and quality of nutrients in our products are at levels which can really make a difference to your skin and overall wellbeing.

The Advanced Nutrition Programme is part of the International Institute of Anti-Ageing (iiaa). This leading skincare company believes in feeding the skin from within with high quality supplements as well as applying proven, results-driven products topically. This inside-out approach leads to radiant, youthful skin!

JANE IREDALE MINERAL MAKEUP

Jane Iredale says the most beautiful cosmetic you can wear is a healthy skin. That's why everything she develops is a true extension of skin care. Her range is not just a refinement of conventional make-up; it's a different technology. So effective, it is recommended by plastic surgeons, dermatologists and skin care professionals and worn by celebrities the world over. This leading range is free from parabens, fillers, synthetic dyes and artificial fragrances along with a huge range of colours from natural pigments. jane iredale® products are so gentle, they can be applied immediately after a treatment to camouflage redness or enhance the effects of a facial.

Why minerals?

Minerals allow the skin to breathe and function normally, making them ideal for everyone but especially for those with problem skins. The ultra-fine particles diffuse light, creating a soft focus effect without looking heavy or caked. Mineral cosmetics are non-irritating, feel weightless and last far longer than traditional make-up.

What makes Jane Iredale make-up unique?

- Unparalleled range of products, colours and finishes
- Free from fillers, synthetic oils, dyes and preservatives
- Made with the highest quality minerals
- Pharmaceutical grade vitamins and antioxidants
- Natural SPF in many of our products
- Weightless, long-lasting coverage
- Can be used immediately after facial treatments
- Soothing and easy to apply
- Water resistant
